MÁLAGA & SURROUNDING AREA

WHO WE ARE

Zeus Group Events was born on the Málaga coast with one simple idea: to make the shisha one of the moments your guests remember from the night.

Two summers ago we ran the shisha service at a beach club in Torrox Costa. Almost two months preparing shishas every night and looking after every table. That is where we learned what really makes the difference: a smooth draw, flavour that lasts and someone always on hand.

Now we bring that same experience to your celebrations.

WEDDINGS · BIRTHDAYS · HEN & STAG PARTIES · PRIVATE PARTIES

WHAT WE OFFER

WE HANDLE EVERYTHING

We come to your venue, set up the shisha corner and decorate it to your taste or to match the space.

ALWAYS ON HAND

We change the coals, check the draw and refresh the bowls so no shisha ever goes out.

FLAVOURS FOR EVERYONE

Ten house blends and ten flavours to mix. We help you pick the ones that best suit your guests.
